EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in telephone interviews with Applicant's representative Michael Belk on 07/31/06.

3. Please amend claims as follows:

Claim 1: line 9, after "area" insert -- further characterized in that the representation is shown together with a border area functioning as the portion, and the browsing means is arranged to show, in response to a selection of a border area of a representation, representations in the sequence belonging to the same category as the representation whose border area is selected --

Claim 2: canceled.

Claim 7, line 7, after "browsing area", insert -- wherein the representation is shown together with a border area functioning as the portion, and further showing, in response to a selection of a border area of a representation, representations in the sequence belonging to the same category as the representation whose border area is selected --

Claim 8, line 1, after "product" insert -- stored on a computer-readable medium--

Claim 9: canceled.

Claim 13: The method of Claim 7, further showing interleaved in the sequence a representation of a command, and executing the command when the representation of the command is selected.

Claim 14: line 9, after "browsing area", insert -- wherein the image is shown together with a border area functioning as the portion, and further showing, in response to a selection of a border area of an image, images in the sequence belonging to the same category as the image whose border area is selected --

Allowable Subject Matter

4. Claims 1, 3-8, and 10-14 are allowed.

The following is an examiner's statement of reasons for allowance: Examiner has carefully considered the independent claims 1, 7, and 14.

The prior art of record does not teach the limitations "the representation is shown together with a border area functioning as the portion, and further showing, in response to a selection of a border area of a representation, representations in the sequence belonging to the same category as the representation whose border area is selected" in specific combinations recited in claims 1 and 7 or "wherein the image is shown together with a border area functioning as the portion, and further showing, in response to a selection of a border area of an image, images in the sequence belonging to the same category as the image whose border area is selected" in specific combinations recited in claim 14.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2173

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
